

# Northwestern Vermont Medical Center: Budget Modification Request

Revised April 30, 2020

### **Northwestern Vermont Medical Center:** VERM **Request for Budget Modification**

- NMC submitted request on April 1, 2020
- NMC's Board authorized request on March 31, 2020
- Requesting a 14.9% increase in addition to approved 5.9% change in charge (rate) to Gross Charges resulting in a compounding (1.149 x 1.059) =1.217) 21.7%.
  - Effective May 1<sup>st</sup>
  - 1.0% value = \$610,112 of NPR
  - Total Gross Revenue impact is \$32.4 million for a full year; partial year \$13.6 million
  - NPR/FPP impact \$9.0 million for a full year; partial year is \$3.7 million

| Net Patient Revenue/Fixed Prospective Payment |  |                                     |  |  |  |  |  |
|---|--|-------------------------------------|--|--|--|--|--|
| FY2020 Approved                               | FY2020 Projection without<br>Amendment | FY2020 Projection with<br>Amendment |  |  |  |  |  |
| \$116.9 million                               | \$108.4 million                        | \$112.2 million                     |  |  |  |  |  |

- Reason for Request
  - Offset negative impact of reduced physician practices and related ancillary volume due to EHR; increased cost of patient care staff

#### **Northwestern Vermont Medical Center:** VERM **Additional Information**

In response to questions from GMCB staff, NMC provided the following additional information:

- NMC will be speaking soon with their commercial payers and will provide an update asap.
- Contingency if not approved- Pressure to reduce services that require subsidies
- EHR contract- no grounds for legal recourse
- Adjusted request matches budget utilization and expenses, does not support budget projections NMC will reconcile at FY21 budget submission
- Preliminary COVID-19 impact for April- 55% reduction in gross revenues (note-this request is <u>not</u> related to COVID-19).
