1. CPR Program Participants will be paid a PMPM Payment, as set forth more specifically in Policy 04-08 Comprehensive Payment Reform Program PY 2023, for performing activities outlined in policy and this CPR Program Amendment for Performance Year 2023. The PMPM Payment paid by OneCare replaces fee-for-service (FFS) payments that would otherwise be paid by a payer for Attributed Lives receiving healthcare services under the Legal Business Name and TIN referenced in this Amendment. Accordingly, CPR Program Participants waive any direct recourse with the payer for issues related to the PMPM Payment or the FFS payments being replaced by the PMPM Payment.
2. All CPR Program terms and conditions can be found in OneCare Policy 04-08 Comprehensive Payment Reform Program PY 2023, which is incorporated herein by reference.

3. CPR Program Participants are required to take all reasonable steps to work with OneCare to operationalize the CPR Program and provide insights to improve the CPR Program.
