### **RE: Docket No. GMCB-010-15con, Proposed Ambulatory Surgical Center**

Dear Eileen:

Below are additional questions for the applicant. We have also requested that the Vermont Association of Hospitals and Health Systems (VAHHS), an interested party to this proceeding, provide information to help the Board better understand the system's current capacity to accommodate surgeries and procedures. That request will be sent to VAHHS under separate cover and copied to the applicant.

Please respond to the following:

1. Exhibit 3 in the application listed the initial surgeries and procedures by specialty that Green Mountain Surgery Center intends to offer. Please resubmit this list adding CPT codes and update to include any additional surgeries/procedures that were not anticipated when the application was submitted.
2. Revise and resubmit the Confidential table by physician (submitted on January 22, 2016) to also include total procedure/surgery volumes for 2015. Change the last column titled "Total" to instead reflect the % surgeries/procedures projected to migrate to GMSC in year 1 of operation for each physician based on 2015 volumes.

In responding to these questions, please restate the question in bold font and respond in unbolded font, and send the original and two hard copies with a Verification Under Oath to me at the Green Mountain Care Board, 89 Main Street, Montpelier, Vermont 05620. Please send the electronic copy to [donna.jerry@vermont.gov](mailto:donna.jerry@vermont.gov).

If you have any questions, please do not hesitate to contact me at 802-828-2918.

Sincerely,

s/ Donna Jerry
