Re: Application for Certificate of Need for ACTD LLC's proposed Ambulatory Surgery Center

Dear Donna:

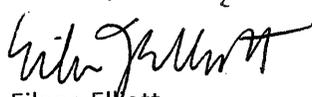

On behalf of ACTD LLC, attached please find an electronic application for a Certificate of Need for a multi-specialty ambulatory surgery center in Chittenden County. The required tables are included as part of the Application and separately in an Excel format.

We are also sending, under separate cover, three hard copies of the Application and the Application fee. We will prepare the public notice according to the template you provided and will let you know when and in what publications it is to appear.

In preparing the Application, we determined that the following CON Standards do not apply, and therefore we did not include a discussion of them in our Application: 1.1, 1.5, 2.1, 3.1 to 3.12, 3.18 to 3.27, 4.1 to 4.7, and 5.1 to 5.12. If you and your colleagues decide the Application should address any of the Standards we omitted, please let us know and we will provide the necessary responses.

We look forward to working with the Green Mountain Care Board on this project. Please let us know of any additional information you need.

Sincerely,

Eileen Elliott
