

113 Background and Framework

Act 113 requires GMCB to certify ACOs participating in payment reform, including but not exclusive to, All Payer Model.

The Act outlines **16 criteria** that must be met for an ACO to be certified (informed by current standards, Next Generation, Regulation in other states)

Enacted May 17, 2016

Act 113 requires GMCB to “adopt rules...to establish standards and processes for certifying accountable care organizations” (emphasis added; potentially informed by current and draft standards)

Rule Deadline: January 1, 2018

Rule could provide for process for GMCB to issue additional guidance, similar to existing hospital budget rule.
