

Questions

1. How many hours are anticipated annually for the work included in the scope of this contract?

We anticipate this contract to last for approximately 8 weeks in 2013 only. The work will likely be from mid-May to mid-July, 2013.

2. How many in-person meetings are anticipated with the consultants? What is the anticipated frequency of phone or web meetings?

We do not anticipate the need for in-person meetings. Given the short time frame, we anticipate frequent phone calls. Web meetings will be determined by us with the vendor.

3. How many rate filings per year are anticipated to be reviewed under the scope of this contract?

There were two filings made for the Health Insurance Exchange. These filings are available here: <http://www.dfr.vermont.gov/>
