Dear Chair Mullin and Members of the Green Mountain Care Board,

The Vermont Association of Area Agencies for Aging (V4A) is writing to offer public comment on the OneCare Vermont (OneCare) 2019 budget.

As a long-term collaborator with OneCare, the Area Agencies on Aging (AAAs) acknowledge and appreciate the efforts made to deliver meaningful reform. Our AAAs share the goal of providing high-quality, person-centered, community-based care coordination services in an integrated delivery system to achieve optimal health outcomes. OneCare has provided additional support to this care coordination model.

We look forward to our continued partnership with OneCare; to improve the overall health, including the social determinants of health of older Vermonters.

With Kind Regards,

Janet Hunt
Executive Director
