RE: Docket No. GMCB-004-16con, PATH at Stone Summit, Development of a Therapeutic Community Residence in Danby, VT

Dear Mr. Munson:

Thank you for the letter dated March 18, 2016 requesting a jurisdictional determination and for the supplemental documents dated April 5, 2016 regarding the proposed development of PATH at Stone Summit, a therapeutic community residence in Danby, Vermont.

Based on the representations contained in the documents and spreadsheet submitted, although therapeutic services will be provided on site, the annual operating expenses for the first three years are under the \$500,000 threshold that triggers review. However, if there are changes in the future in the type or scope, annual operating expenses or planned expansions, please notify the Green Mountain Care Board immediately so that we may determine whether further review is required.

If you have any questions, please do not hesitate to contact me at (802) 828-2918.

Sincerely,

s/ Donna Jerry
