

Name: Gena Brooks

Affiliation, if applicable: Northern Vermont University

Town: Johnson

Topic: ACOs

Could OneCare VT please comment on its decision to eliminate the Director of Analytics role from its Organization Chart? Also, the decision to add the Manager, Analytics Role to the Quality Manager who has no formal Analytics education?

With ACO's fundamentally being an analytics revolution, how can there be no qualified Senior Leadership overseeing the Analytics at the heart of OneCare's request to be a fiduciary to nearly \$1B.
