

Organizational Structure

Provide the hospital's organizational chart including parent companies, subsidiaries, affiliated entities, etc. Describe all entities related financially to the hospital, the purpose of each entity, and the financial relationships between the entities (e.g., parent organization, subsidiary organization, membership organization, etc.). Identify any entities that the hospital or its parent organization owns in part or in full, identify any entities that own the hospital in part or in full, and indicate whether any members of the hospital's senior management team are paid by hospital-related entities other than the hospital. Identify and describe areas of financial risk associated with these organizational relationships.
