3. To the best of my knowledge, information, and belief the information contained in the Budget Submission is the most accurate prediction and does not omit material facts necessary to provide a full and complete understanding of the Hospital's financial standing.
4. To the extent my verification is based on something other than my personal knowledge, it is based on information, opinions, reports, and statements, including financial statements and other financial data, I reasonably believe to be true, accurate, reliable, and complete. This information was presented or otherwise provided to me by the Hospital's officers, employees, legal counsel, public accountants, or other persons whom I reasonably believe are reliable, trustworthy, and have the necessary professional competence and expertise to advise on the matters presented.
