Re: Request for Exemption from Public Record

Dear Ms. Jerry,

The purpose of this letter is to formally request an exemption from public records for the following application items submitted as part of Valley Vista's Certificate of Need application: Conversion Tables, specifically, Table 1, Table 6A, Table 6B, Table 6C, Table 7 and Table 9; Valley Vista Income Statement as of 5-31-19; Meridian Behavioral Health Balance Sheet as of 5-31-19; Valley Vista Balance Sheet 2018 Actual and Budget with projections and Valley Vista Income Statement 2018 Actual and Budget with projections.

Valley Vista's request for the exemption is allowed under Green Mountain Care Board Rule 4.303, 3a-d., which allows for exemption from record for items that are not considered to be part of the public record. The items for which this request for exemption is being submitted are confidential, internal financial documents of both Valley Vista and its parent company; therefore they should remain confidential and out of the public record.

Please feel free to contact me for more information or with any questions.

Respectfully,

Amanda Hudak, MS, LADC, MAC
Treatment Director
