Dear Ms. Jerry,

Valley Vista has made the correction to what was identified as page 6 of the application, but is officially the response to 2 (A); making a minor error and correcting it. The correction that was made was in regards to the facility seeing a decrease in Self-Pay.

Attached in this submission is the corrected application with the minor change, the original revised letter, revised table 7 assumptions, and the revised CON tables 6a, 6b, 6c and 7.

Please reach out for further questions or concerns.

Respectfully,
