Amy Cooper, CEO
Green Mountain Surgery Center
593 Hercules Drive
Colchester, VT 05446

Dear Amy,

Thank you for your letter dated September 30, 2020 describing the payment arrangement between the Green Mountain Surgery Center (GMSC) and OneCare Vermont for 2021, as well as GMSC's plans to agree to a fixed payment arrangement for 2023 by October 1, 2022.

In our June 4, 2010 order, we required GMSC to, "no later than October 1, 2020, agree to receive fixed payment reimbursement in lieu of fee for service for patients attributed to the ACO." We interpret your letter as a request for relief from the October 1, 2020 date, which we grant. We understand that the pandemic and associated shutdown have impacted the development of a fixed payment arrangement for 2021. GMSC's plans to agree by October 1, 2022 to accept fixed payments for 2023 are acceptable. We will still need to confirm that an agreement is reached. Therefore, please notify us by October 1, 2022 of your payment arrangement for 2023 so that our staff may determine whether the requirement has been satisfied.

Please let us know if you have any questions.

Dated: October 23, 2020 at Montpelier, Vermont.
