RE: Request for A Jurisdictional Determination for the Proposed Project

Dear Ms. Jerry,

We have recently formed a non-profit corporation in Vermont (Free Access Health Clinic, Inc. dba "Free Access Clinic") located at 400 Swift Street, Suite 100 in South Burlington, VT. This location is set up with a private entrance, 2 examination rooms, a bathroom and waiting area. *Our mission is to serve under/uninsured Vermonters, lower income and other members of the community who may lack affordability and/or access to medical and mental wellness care.* This includes individuals who may speak English as a second language and/or may have trust issues with medical providers in general.

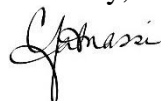

The Free Clinic will operate under regulations covering other Free Clinics in Vermont and nationally and will not charge patients. We will provide medical and mental health care along with wellness education initially delivered through webinars and telemedicine. We will not have any imaging equipment on site and if imaging, labwork and other testing is required; patients will be sent to local hospitals and providers for this work. All services will be provided by volunteer medical and mental health practitioners currently licensed and working with hospitals or private practices in Vermont as projected below:

Type of Service	How Provided	Level of Provider	Projected FTEs
Mental Wellness Care	Initially virtual telemedicine, later on site	MDs	4 hours weekends (.10 fte)
Medical Care (second opinions, general wellness care-blood pressure screenings, management of diabetes, sleep issues, etc.) Wellness webinars	Initially virtual telemedicine, later on site	MDs scheduled by speciality (cardiologist, general practitioner, neurologist, etc.) RNs, LPNs (As needed for intake screening and support for MDs)	Up to 10 hours weekends (.25 fte)
Administrative Staff	Phone, virtual, on site.	Administrative Staff for scheduling and to assist with intake and paperwork with patients. Coordinate visits with providers.	6 hours throughout the week (.5 fte)

Our 1<sup>st</sup> year's budget is projected at \$15k covering donated medical office furniture, equipment, supplies, patient management software, insurance and membership fees with Free Clinic trade associations.

Should you need further information, please feel free to contact me via email or my cell phone at 802-777-2993. Thank you for your guidance and support!

Sincerely,

Cheryl Fatnassi  
Secretary
