3. The project shall be fully implemented within two (2) years of the date of issuance of this certificate of need.

5. This certificate of need is not transferable or assignable and is issued only for the premises and entity named in the application.
6. If the Applicant contemplates or becomes aware of a nonmaterial change, as defined in 18 V.S.A. § 9432(12), or a material change as defined in 18 V.S.A. § 9432(11), to the scope or cost of the project described in its application and as designated in this certificate of need, the Applicant shall file a notice of such change immediately with the Board. The Board shall thereafter advise the applicant whether the proposed change is subject to additional review.
7. The Board may, after the Applicant is provided notice and an opportunity to be heard, make such further orders as are necessary or desirable to accomplish the purposes of this certificate of need and to ensure compliance with its terms and conditions.
8. All reports, notices, forms, information, or submissions of any kind required to be submitted to the Board as a condition of this certificate of need shall be signed and verified by the Applicant's chief executive officer, or by his or her designated representative.
