
PUBLIC NOTICE

In accordance with Chapter 221 of Title 18 V.S.A., the Green Mountain Care Board (GMCB) has closed the University of Vermont Medical Center's Conceptual Certificate of Need (CON) application for the relocation of its outpatient Dermatology and Ophthalmology practices to 350 Tilley Drive in South Burlington. The eventual project is expected to exceed \$30 million, therefore requiring a Conceptual Certificate of Need for planning purposes.

An individual or entity may submit a written petition to intervene in a Certificate of Need (CON) proceeding up to five (5) business days following the Board's closure of a CON application. Any such petitions in this proceeding must be submitted in writing to the GMCB at the address listed below, on or before February 15, 2022.

If no petitions are filed within this time period (by February 15, 2022), the Board will not hold a hearing in this matter and comments on the application will be accepted through February 18, 2022, ten calendar days after the date of this application close letter. Following the conclusion of this comment period, the Board will deliberate and issue a written decision on the application.

Petitions to intervene should be submitted to The Green Mountain Care Board, Attn: Donna Jerry, 144 State Street, Montpelier, Vermont, 05602. For more information, contact Donna Jerry at the above address or by calling 802-760-8162.
