Request for reasoning in the denial of exclusion described in

18 V.S.A. § 9435(a) and GMCB Rule 4.000, § 4205 in the GMCB letter of June 23, 2021

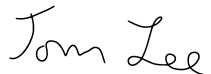

Dear Green Mountain Care Board,

I am writing to request the reasoning applied to the Green Mountain Care Board's denial of our request for exclusion under 18 V.S.A. § 9435(a) and GMCB Rule 4.000, § 4205, healing arts practitioner's office. The original request for exclusion was from our attached letter dated June 16, 2021. The denial was communicated to us in the letter dated 06-23-2021 and is also attached.

Though we currently maintain an annual budget of under \$500,000 and therefore are not under GMCB jurisdiction, our current single clinic in Colchester is growing. We'd like to further understand the Board's reasoning so that we may most appropriately and directly address their concerns and the regulations.

We will appreciate understanding the Board's reasoning and justification for the denial of our clinic as healing arts practitioner's office.

Kind Regards,

Tom Lee
President
