1. Dimensions on a typical exam room indicated on the large-scale plan appear to be incorrect. Confirm whether the exam rooms are 10 feet by 12 feet rather than 20 feet by 24 feet.

Confirmed, they typical exam rooms are 10'x12'. The drawings had a scaled issue with the dimensions. Please see Attachment 1 – Updated A4 drawing.

Docket No. GMCB-005-23con

Verification Under Oath to file with Certificate of Need Application, correspondence and additional information subsequent to filing an Application.

[Officer or other deponent], being duly sworn, states on oath as follows:

1. My name is Shawn P. Tester. I am the Chief Executive Officer of Northeastern Vermont Regional Hospital. I have reviewed the certificate of need application to modernize and expand NVRH's emergency and laboratory departments.
2. Based on my personal knowledge and after diligent inquiry, I attest that the information contained in the certificate of need application to modernize and expand NVRH's emergency and laboratory departments is true, accurate and complete, does not contain any untrue statement of a material fact, and does not omit to state a material fact.
3. My personal knowledge of the truth, accuracy and completeness of the information contained in the certificate of need application to modernize and expand NVRH's emergency and laboratory departments is based upon either my actual knowledge of the subject information or upon information reasonably believed by me to be true and reliable and provided to me by the individuals identified below in paragraph 4. Each of these individuals has also certified that the information they have provided is true, accurate and complete, does not contain any untrue statement of a material fact and does not omit to state a material fact.
4. The following individuals have provided information or documents to me in connection with the certificate of need application to modernize and expand NVRH's emergency and laboratory departments and each individual has certified, based either upon his or her actual knowledge of the subject information or, where specifically identified in such certification, based on information reasonably believed by the individual to be reliable, that the information or documents provided are true, accurate and complete, do not contain any untrue statement of a material fact, and do not omit to state a material fact:

Jacquelyn Zaun, Project Manager
Robert Hersey, Finance Project Manager
Andre Bissonnette, Chief Financial Officer

5. In the event that the information contained in the certificate of need application to modernize and expand NVRH's emergency and laboratory departments becomes untrue,

inaccurate or incomplete in any material respect, I acknowledge my obligation to notify the Green Mountain Care Board and to supplement the certificate of need application to modernize and expand NVRH's emergency and laboratory departments as soon as I know, or reasonably should know, that the information or document has become untrue, inaccurate or incomplete in any material respect.

Shawn P. Tester

On 1 June 2023, Shawn P. Tester appeared before me and swore to the truth, accuracy and completeness of the foregoing.
