Re: Docket No. GMCB-004-23con, Development of Outpatient Surgery Center on Tilley Drive, Project Cost: \$129,640,703

Dear Ms. Jerry:

The University of Vermont Medical Center Inc. (“UVM Medical Center”) respectfully requests that the Green Mountain Care Board (the “Board”) issue a Scheduling Order for the remainder of the proceedings in the above-referenced docket, and submits a proposed Scheduling Order attached hereto.

A Scheduling Order is important to help UVM Medical Center and the Interested Parties plan and prepare to effectively participate in the Board’s review of UVM Medical Center’s proposed outpatient surgery center project. Per the schedule UVM Medical Center proposes, the Board would hold a public hearing in mid-November, which would enable the Board to issue its decision concerning UVM Medical Center’s application in early 2024.

Thank you for your consideration. Please let me know if you have any questions.

Sincerely,

Eric Miller
