FY22 Hospital Budget Guidance

Patrick Rooney, Director of Health Systems Finances, GMCB
Russ McCracken, Staff Attorney, GMCB

Patrick Rooney presented an overview of the Board meetings to review the drafts of the FY22 hospital budget guidance and the priorities, process, & outcome of the guidance. The staff recommendations included streamlined FY22 hospital budget submissions, the submission date returning to July 1, an abbreviated adaptive budget submission for each hospital, and eliminating the "non-financial reporting" requirement.

Patrick Rooney reviewed the discussion points for consideration of the Board for the guidance, each tab of the draft appendices to be submitted by the hospitals, and the changes to the draft guidance from last year. Russ McCracken reviewed the draft enforcement policy and the recommendation to create a standing policy for hospital budget enforcement for the benefits of efficiency and consistency. If the Board adopts the standard enforcement policy going forward, the Board will have to decide whether to apply the policy to FY21. [The presentation slides can be seen here](#), [the draft appendices can be seen here](#), [the draft guidance can be seen here](#), and [the draft enforcement policy can be seen here](#) on the GMCB website.
