Minutes

The Board voted (4-0) to approve the minutes from November 22, 2021.

All-Payer Model Agreement – Proposal to Request 1-Year Extension of Current Agreement

Sarah Kinsler, Director of Health Systems Policy, GMCB
Ena Backus, Director of Health Care Reform, Agency of Human Services, State of Vermont

Ena Backus explained that Vermont is required to submit a proposal for the All-Payer Model by the end of performance year four, which is the end of 2021. Ena Backus and the Agency of Human Services (AHS) recommend that Vermont propose a one-year extension of the current agreement. The one-year extension will allow the state to fully engage with the providers, payers, advocates, and Vermonters to develop a proposal for a longer-term renewal. The proposal will bring the extension through the end of 2023.

Sarah Kinsler reiterated that this is not a request to approve an extension, it is asking the Board to endorse starting the process of requesting the one-year extension. Sarah Kinsler presented the cover letter that will be sent to CMMI to request the one-year extension and explained the changes that will be implemented. [The request letter can be seen here](#), and [the proposed redline](#)
