<b>GMCB Attendees</b>	Board Chair Kevin Mullin, Susan Barrett, Christina McLaughlin
<b>Other Attendees</b>	Ena Backus, Jennifer Kaulius, Lucie Garand, Stephanie Winters, Helen Labun, Rebecca Copans, Spenser Weppler

1. Welcome & Introductions
  - a. Brief introductions of everyone in attendance.
  
2. APM Discussion
  - a. Ena Backus walked through the All-Payer Model (APM) Implementation Improvement Plan details (see presentation [here](#)). Group members discussed legal and compliance constraints, noting there are some things that the ACO cannot do since they do not have the necessary information. Ena mentioned AHS is working is OneCare to look at the efficacy of Care Navigator since providers do have a range of experiences with the system since some members felt it does not help their practice. Members discussed the importance of increasing access to health care and ensuring all Vermonters have affordable health insurance. The group would like to find out when the Department of Health will do another Vermont Household Health Insurance Survey (most recent is from 2018) and the group discussed the need for more collaboration between the state and its providers.
  - b. Group members may email Christina McLaughlin or Ena Backus if they have additional comments to share.
  
3. Primary Care Goals
  - a. The group discussed creating a list of goals for 2021 relating to primary care and suggested focusing on recruitment and retention efforts. The group will continue this discussion at the upcoming meetings.
  
4. GMCB/PCAG Updates
  - a. There were no updates shared. Group members received information on the Board's 2021 priorities via email.
