

Gifford Medical Center, Inc.

FY 2025 Budget

NPSR & Public Payer Reimbursement

11. Net Revenue & Public Payer Reimbursement

Medicare - For FY 2025, Gifford did not budget for an increase in Medicare rates for due to the organization's status as a Critical Access Hospital, which is Cost Based Reimbursed.

Medicaid – We have not been informed of any pending rate increases to our rates.

All other Payers – The full 6.8% Price increase is carried by commercial and other non-governmental payers.
