

**GMCB Primary Care Advisory Group (PCAG)
Wednesday, June 15, 2022**

PCAG Member Attendees	Fay Homan, Rob Penney, Elliot Rubin, Eileen Murphy, Leigh LoPresti
GMCB Attendees	Susan Barrett, Chair Kevin Mullin, Christina McLaughlin, Jean Stetter
Other Attendees	Jennifer Kaulius

1. Welcome & Introductions
 - a. Brief introductions of everyone in attendance.

2. Discussion of PCAG Priorities
 - a. Members discussed the group's priorities set at a previous meeting; 1. prior authorizations, 2. primary care spend, and 3. health care workforce (specifically, pipeline with medical schools and inclusion of all primary care clinicians). The members also discussed meaningful ways to advise the Board on its work, changing the culture of how providers and patients think about primary care, and workforce data.
 - b. Follow-Up: PCAG members discussed writing a series of commentaries on the culture of primary care (i.e., what services a primary care provider offers to patients).

3. GMCB/PCAG Updates
 - a. Susan Barrett updated the group on the Board's June 13th General Advisory Committee meeting, which focused on hospital sustainability and Act 167 of 2022.
 - b. Follow-Up: PCAG members may provide feedback on the June 13th General Advisory Committee presentation and related discussion questions.
