

OneCare Vermont

June 9, 2023

Dear Green Mountain Care Board Team,

OneCare Vermont (“OneCare”) is in receipt of the GMCB’s draft FY24 OCV Budget Guidance (“Guidance”), provided to OneCare on June 1, 2023, with a requested feedback deadline by close-of-business June 12, 2023. Since many of the updates to the Guidance touch on strategic elements of OneCare’s operations, OneCare management must receive direction from its Board of Managers (“Board”), which exercises authority over strategic matters in accordance with Section 5.202 of Rule 5.000, in order to provide feedback. The OneCare Board will meet next on June 20, 2023. OneCare respectfully requests an extension of time to provide its feedback to the Guidance to a date no later than seven (7) days following this Board meeting.

Respectfully,

Abraham Berman
Interim Chief Executive Officer, OneCare Vermont
