Subject: FY25 Risk Mitigation Plan

---

Dear Green Mountain Care Board and Health Care Advocate Policy Teams:

Under Rule 5.403(b), an ACO wishing to bear risk must propose a risk cap, supported in part by a full risk mitigation plan. OneCare Vermont Accountable Care Organization, LLC (“OneCare”) desires that the Green Mountain Care Board (“GMCB”) consider and approve the attached risk mitigation plan in advance of the GMCB’s review of OneCare’s FY25 budget and, by this letter, formally requests such advanced review and approval. Along with this letter is a presentation for discussion during the GMCB meeting to be held on June 12, 2024.

We would be happy to discuss this request with GMCB staff in advance of the June 12<sup>th</sup> meeting so that the GMCB has all the information it needs to consider this matter. Please reach out with any concerns or for any additional information needed.
