Re: OneCare Vermont Budget

Dear Susan:

Although the Board is aware from public statements, I am writing to formally inform the Board that Blue Cross Blue Shield of Vermont has advised OneCare that it will not enter into a program agreement with OneCare for 2023. We are extremely disappointed with Blue Cross's last minute decision and the impact on our fragile healthcare system, value based care, and the All Payer Model. We remain hopeful that negotiations can resume and we can move forward for 2023.

Very truly yours,

Sara Barry, PhD, MPH
