

Porter Medical Center

Fiscal Year 2024 Budget

Porter Medical Center

Questions:

- 1) Specify how many of the 165 open physicians positions are Porter's and which department/ specialty.
- 2) Exhibit 9 lists \$34,614,243 for commercial GPR whereas \$56,042,111 is reported in Adaptive for FY21. Which value is correct?
- 3) Exhibit 10 does not indicate gross charges increases for previous years. Either update the exhibit or provide the percent change in charge implement by payer and service type.
- 4) What is the estimated underpayment by commercial plans for the past 3 FYs (i.e., FY21, FY22, and FY23 projected) for Porter?
