**GREEN MOUNTAIN CARE BOARD CANCELS HEALTH CARE COMMUNITY MEETING IN ST JOHNSBURY**

**Montpelier, VT** – The Green Mountain Care Board (GMCB) regrets to announce the cancellation of the Health Care Community Meeting scheduled for tonight in St. Johnsbury at Catamount Arts at 6pm. This decision comes in response to the severe flooding that occurred last night.

The well-being of community members is our top priority. Local flooding caused significant disruption, making it unsafe for community members to travel. We apologize for any inconvenience this may cause and appreciate your understanding and cooperation during this time.

We are working diligently to reschedule the meeting and will provide updates as soon as possible. Please stay tuned to [our website](#) for the latest information on the new meeting date and location.

Our hearts go out to all those affected, and we encourage everyone to stay safe and heed any emergency advisories issued by local and state authorities.

For further information or questions, please contact us at [GMCB.Board@vermont.gov](mailto:GMCB.Board@vermont.gov).

###

*About: The Green Mountain Care Board (GMCB) is a 5-member, independent Board with a vision of a sustainable and equitable healthcare system that promotes better health outcomes for Vermonters. The GMCB was created in 2011 with an ambitious mission to drive system-wide improvements in access, affordability, and quality of healthcare to improve the health of Vermonters. Through public meetings, the GMCB ensures a transparent approach to healthcare regulation and a voice for stakeholders, including healthcare organizations, clinicians, and members of the public. With a holistic, data driven approach, the GMCB carries out its regulatory duties, supports innovation in healthcare delivery and payment reform, and serves as an important resource for independent, transparent analyses of Vermont's healthcare system performance.*
