Name: Beth Schiller

Affiliation: Independent Healthcare Practice

Town/City: South Burlington

Topic: Hospital Budget

Comment: As a local employer in the area, the idea of premiums going up as a result of hospitals not being accountable and just asking for more budget monies is a crazy way to run a business. As an independent healthcare practice, hospitals already get paid 40% more than I do for the same service. If anything, we should look at independent facilities and provide them with more monies instead of increasing the gap more.
