I am a Licensed Nurse Assistant at UVMHC. I want UVMHC to invest in our diverse employees like they do in new buildings they can't staff. I want them to open collaboration opportunities that welcome BIPOC-centered issues that our union highlights. I want our wages to reflect how UVMHC promotes DEI. We're asking the board to consider ensuring that the UVM Medical Center prioritizes in our budget the most important resource; employees. We have been undervalued for too long.
