Topic: Hospital Budget

Comment: I work as a phlebotomist at UVMHC. Without a living wage and affordable healthcare literally will not be able to afford to work here. I live in Plattsburgh and commute daily to UVMHC to work at a job that I love with people that I care about. Having that taken away from me over nothing more than greed would be devastating and I will continue to fight in order for that not to happen.

Post Comment: Yes
