Comment: I am a Clinical Care Associate at Hinesburg Family Practice. Our staff needs Livable Wage/increased, differential/urgent/incentive payments, work/job safety, patient care, Respect/dignity, DEI/non-discrimination, healthcare affordable, CTO/bonuses, work-related training. We're asking the board to consider ensuring that the UVM Medical Center prioritizes in our budget the most important resource; employees. We have been undervalued for too long.
