I am a Medical Assistant II in the Hematology/Oncology at UVMMC. GCMC, I am asking for your help to stop UVMMC management continuing to underpay support staff. It is really sad that a lot of us qualify for assistance from the state (SNAP, Medicaid, Dr. Dynasaur). Please tell the biggest employer in the state to prioritize us and pay us a livable wage. We keep the hospital up and running. Without us UVMMC would be the region's Level One Trauma Center.
