Topic: Hospital Budget

Comment: We are looking to ensure that all employees at UVMMC make a livable wage, ability to purchase healthcare for themselves and their family. Safe staffing and safety for all staff and patients. The management will benefit by attracting new employees with a workplace that cares about their employees. we are the largest "resource" for the hospital. Treat us with respect. We care for our patients, please care for us in return. Thank You.

Post Comment: Yes
