Town/City: Burlington, VT

Topic: Hospital Budget

Comment: My name is Victor Yongo, I work in Environmental Services at UVMMC. We want our salaries increased to a livable wage because what we currently receive does not allow us to take care of our own families. We're asking the board to consider ensuring that the UVM Medical Center prioritizes in our budget the most important resource; employees. We have been undervalued for too long.

Post Comment: Yes
