Topic: Hospital Budget

Comment: I am an Equipment Specialist in the OR at UVMHC. I would like to see a livable wage for all staff and for management to show us the respect we deserve. I would like to feel valued for all of the contributions I make for UVMHC to provide quality patient care. We're asking the board to consider ensuring that the UVM Medical Center prioritizes in our budget the most important resource; employees. We have been undervalued for too long.

Post Comment: Yes
