Town/City: Shelburne

Topic: Hospital Budget

Comment: The GMCB actions in reducing the budget of the UVM Medical Center once again significantly reduces the ability of the hospital to care for the needs of patients in Vermont. If you wonder why wait times are exceedingly long and physician shortages exist in this state look no further than your Green Mountain Care Board. Their actions inhibit the ability of physicians and practitioners to provide complex and primary care for all Vermonters.

Post Comment: Yes
