Comment:

To: Green Mountain Care Board

I'll get to the point I will put out an extra chair in my class for Mr. Wyman.... He must have skipped a few grades when he probably needed some intervention /1v1 work instead. The damage /uproar he has caused has been monumental.... Time for your board to find a new consultant, as you have wasted your money on this guy.... What was he thinking ... what were you thinking?

Sincerely , Peter Alexander Derby, VT
