Comment: Hi! My name is Jillian and I work at Maitri Healthcare for Women. Here at Maitri we strive to give the best care possible to our patients, we all take the time to get to know these patients and love seeing them. We just need to be reimbursed more to be able to give the best care possible to these patients. All of us here at Maitri hope that you can make the changes needed for us to continue to give the best care possible.
