Affiliation: Client of Rehab Gym, Williston

Town/City: New North End, Burlington

Topic: The civic contribution of Rehabilitation Gyms

Comment: Gyms that serve clients as individuals— and offer experiences that will tailor to the individual— are of great service. Viewing the gym only as a tool for bodybuilders or figure-enhancers and, therefore not meaningful as community institutions, are short-sighted. The best rehab gyms should be welcomed and assisted by any/all neighborhoods lucky enough to have them.
