Topic: Vytalize Health ACO

Comment:

Please do not approve this ACO REACH plan to bring private equity partnerships to two VT FQHCs. This is only a way for unsupervised, unauthorized groups of investors to deplete our shrinking Medicare Trust Fund. Please keep such entities out of the state of Vermont and allow any group trying to enter our market to require the state auditor to review their accounts.

Please add this to the proper public comment section for tomorrow's meeting.

Post Comment: Yes
