Comment: My name is Allison Baginski, and I am a Therapy Support Specialist at the UVMMC Ortho Rehabilitation Therapies Clinic at Tilley Drive. We need livable wages. As the largest employer in the state, it's hard to retain good employees with these low wages. We would also like to see sliding-scale medical premiums based on salary. We're asking the board to consider ensuring that the UVM Medical Center prioritizes in our budget the most important resource; employees. We have been undervalued for too long.
