Comment: My name is Elizabeth Manion, and I am a SCOA in Cardiology at UVMHC. I would like to see a progressive health care plan through equitable premiums that should be assigned by percentage of pay. Not a flat rate for everyone. Also no members of our union should be making than a livable wage of \$22/hour. We're asking the board to consider ensuring that the UVM Medical Center prioritizes in our budget the most important resource; employees. We have been undervalued for too long.
