Comment: My name is Mujesira Srna, and I am a Licensed Nursing Assistant in the Resource Dept at UVMHC. I want to see our wages raised to reflect the hard work we put into our jobs and our patients, and that our wages are in line with the increased cost of living, such that we can afford food, mortgages & more. We're asking the board to consider ensuring that the UVM Medical Center prioritizes in our budget the most important resource; employees. We have been undervalued for too long.
