Comment: My name is Rose Ploof and I am an LNA in the Resource Dept at UVM Medical Center. We deserve livable wages and safe staffing. We are also asking for slash resistant safety gear for our staff in the ED. Better benefits with a sliding scale for health care premiums. More CTO, sick days and more accommodating scheduling. And Respect. We're asking the board to consider ensuring that the UVM Medical Center prioritizes in our budget the most important resource; employees. We have been undervalued for too long.
