Comment: I have been a trustee at NVRH for nine years. We have enjoyed the extraordinary leadership of CEO Paul Bengston and CFO Bob Hersey followed by CEO Shawn Tester and CFO Andre Bissonette throughout my tenure on the board. We have managed to stay within our budget throughout that period and have prepared an FY 24 budget with similar expectations. Establishing a statewide highly restrictive growth rate without consideration for the unique aspects of Vermont hospitals will shatter that likelihood. I humbly request your further consideration of this idea.
