Name: Thomas E. Frank

Affiliation: CEO, North Country Hospital

Town/City: Newport

Topic: Hospital Budget

Comment: Staffing shortfalls, contract labor costs, and inflation are just a few examples of what contributes to the unique set of circumstances at each VT hospital as we do our best to craft the FY24 budget. Specifically, the two-year 8.6% net patient revenue with only a .1% growth rate for FY24 may force North Country Hospital to reevaluate programs and could limit investment back into our 50+-year-old facility.
