Green Mountain Care Board

Montpelier, VT 05602

Dear Green Mountain Care Board Members:

I am writing in support of OneCare Vermont Accountable Care Organization's fiscal year 2022 budget. I serve as the Chief Strategy Officer for Dartmouth-Hitchcock Health and I have been a member of OneCare's Board of Managers since its formation. Dartmouth-Hitchcock participates in OneCare's payer contracts and I can attest to the value that OneCare brings to aligning providers across the state as we transition from volume to value based payment models.

Participating providers benefit from the data and analytics OneCare provides related to cost, quality, utilization, and comparisons across the network. OneCare is investing nearly \$29 million in population health management in 2022. The information OneCare provides and the investments it is making are critical to the network's ability to improve care and lower health care spending. As a Board member, I have seen the cost savings initiatives being implemented by OneCare and I believe the fiscal year 2022 budget is necessary to continue to advance transforming the healthcare payment system.

On behalf of Dartmouth-Hitchcock, I strongly urge you to approve OneCare's fiscal year 2022 budget.

Sincerely,

A handwritten signature in black ink that reads "S. LeBlanc".
